Experience

Production Assistant / Ball State University Media Services

September 2021 – May 2023 / Muncie, IN

Managed equipment, operated cameras, took calls at front desk as needed. Gigs included everything from guest speakers to gymnastics tournaments.

Photographer, Drone Pilot / Next Door Photos

May 2022 – Present / South Bend, IN; Kalamazoo, MI

Collaborated with realtors to showcase houses using traditional photography, aerial photography, and 360 photography. Environments often had difficult lighting and challenging obstacles to work around.

Web Designer, Live Event Producer / 48-Hour Cinema Showdown

February 2023 / Muncie, IN

Designed website using WordPress. Collaborated with rest of design team to maintain consistent branding. Oversaw backstage operations at showcase.

Producer, Editor, Camera Operator / "Date Night" Short Film

February 2023 / Muncie, IN

Recruited team members, delegated roles, and managed location and image release documents. Edited main cut and sound. <https://vimeo.com/796313138>

Producer, Director, Drone Pilot, Editor / "Lost and Found" Music Video

October 2022 / Noblesville, IN

Placed first at 2023 Indiana Association of School Broadcasters competition in Music Video category.

Led a small team and worked closely with client to produce a music video. Created story board, directed cameras and action, piloted drone, and edited multiple cuts under a tight deadline. <https://vimeo.com/772632844>

Editor, Animator / "Adore You x Watermelon Sugar" Music Video

April 2021 / Muncie, IN

Edited and animated a music video for virtual concert, "Social Distan-Sing!" Made entirely in After Effects. <https://vimeo.com/801774371>

Leadership & Activities

Public Relations Director / Association of Collegiate A Cappella

May 2022 – May 2023

Redesigned logo and led promotion of auditions and concerts. Increased organization's community involvement by partnering with the Animal Rescue Fund in Muncie, Indiana, for a fundraiser. Extensively used Photoshop, Illustrator, and InDesign.

Associate Coordinator / Unexpected Resolution

May 2021 – May 2023

Increased camaraderie in group by planning social events. Led organization and planning of largest invitational concert in group's history. Updated finances by acquiring an Employer Identification Number, registering as a not-for-profit organization, and setting up Venmo, PayPal, and CashApp accounts.

Videos Team Member / Byte BSU

September 2019 – May 2023

Wrote, edited, and co-hosted 18 (and counting) episodes of weekly news show "Checkpoint." <https://ottoschlatter.com/portfolio/video/byte/>
