

Winter Donation Drive

Every year in the lead up to our fall semester showcase, we run a fundraiser for a charity in the Muncie community. This year, we're raising money for the Muncie **Animal Rescue Fund** (ARF). The mission at ARF is to promote a promise of love for all animals through education, medical care, prevention and placement. Your help goes a long way providing medical care, safety, food, and so much more for the pets at ARF.

How You Can Help

Donate! You can donate via **Venmo @BSUACA**, or you can donate via cash or card at the **table in the lobby** after the show. Every little bit helps.

Thank You For Making a Difference in Our Community
